A NIGHT OUT

— ★ for ★ —

MUSIC HEALS

Saturday March 4, 2017

Over 100 bars, clubs & pubs across Canada will donate \$1 per cover charge, or the equivalent of \$1 per cover, to support local music therapy programs.

www.musicheals.ca

Join us for the 6th annual A Night Out For Music Heals

Music Heals has donated \$800,000 to **music therapy** programs across Canada. Music Heals funds increased access to music therapy for children, seniors, palliative care, burn units, AIDS & HIV care, bereavement support, dementia, the Autism spectrum, rehabilitation programs, and more.

Music is such a large component of the bar industry. Here is an opportunity to empower music to heal. Bar patrons can support local music therapy programs simply by going out that night.

100% of proceeds go to accredited music therapy programs in the province in which the money is raised.

Give The Gift Of
Music

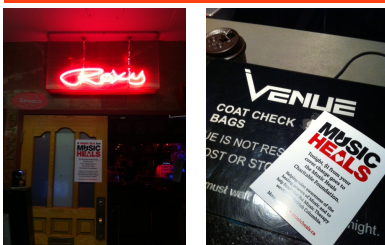

For a donation equivalent to **\$1 per patron for one night** (which can come from a cover charge, menu item, or straight donation), we can give the gift of music across Canada.

To participate, email nightout@musicheals.ca
